

## CALLOWAY COUNTY FOOD SERVICE

Dear Parents/Guardians/Staff/Students,

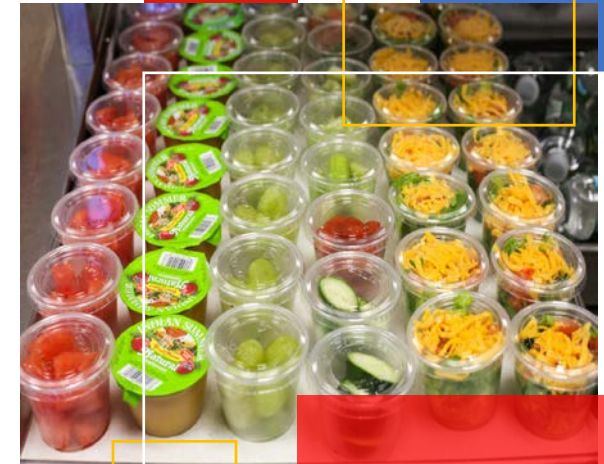

Welcome back to a new school year! The Calloway County school district food service staff is looking forward to serving your children nutritious, great-tasting meals that re-charge their body and minds for their academic and lifestyle success. Our goal is to provide a service that's high-quality and "kid friendly" meals that meet the latest federal and state requirements but that also fill our student's appetite! Some of the goals we have for this year are more themed days celebrating holidays, bring back taste testing with new menu items, & focusing on quality & quantity of meals. Please help us in food service with encouraging students to participate in both our School Breakfast Program and our School Lunch Program. Encourage them to try new menu items and give us feedback! We are here to serve them and want them full and focused! We are always available for comments, questions, or concerns and we look forward to seeing the students on the first day of school!

## Food For Thought

This brochure is designed to provide parents, students and staff with up-to-date food service knowledge & happenings in our school district. We will do our best to always keep you informed on any changes. This will also be an outlet to provide direct and informative information about all things food service.

## A La Carte Purchases

We sell a variety of a la carte purchases.

If there is money in your child's account or they have cash on hand, they can purchase a la carte items or extras. **No students will be allowed to charge to their accounts.**

## MySchool Bucks & Deposits

With MySchool Bucks you can view your student's meal purchases and current account balance at a glance. They will even send you a reminder when the student balance gets low.

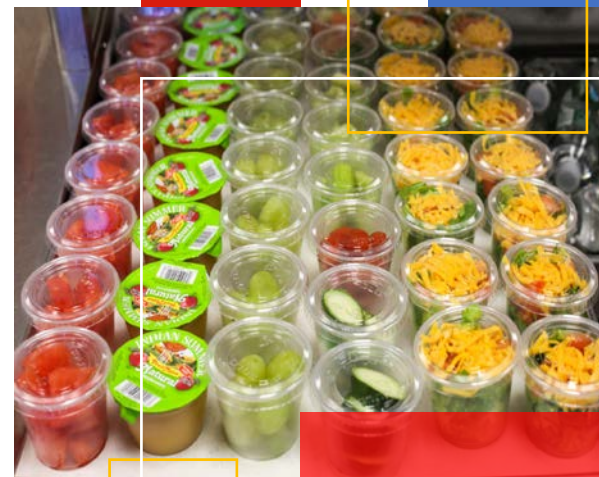

You can set up automatic payments, get low balance alerts, and get support when you need it.

We will be accepting MySchool Bucks deposits and in-person deposits at this time, we will not be giving cash back. Any deposits sent will all be deposited into the students account.

Note: Any online deposits through MySchool Bucks will charge a \$2.95 fee. This is a processing fee through MySchool Bucks, not associated with Calloway food service. Please allow 24 hours for processes to be made.

See Next Page for letters from our cafeteria crews at each location! All cafeterias will be experimenting with new menu items this upcoming year! Be sure to let us know what you like! Please take our school food service survey on social media & our website!
