

Calloway County Middle School

Extended School Services

2021-2022

Dear Parents/Guardians:

Calloway County Middle School offers ESS (Extended School Services) during the day and after school. Afternoon services will begin September 4th. We are proud and excited to be able to offer this excellent service to Calloway County Middle School students who are having difficulty in one or more content areas. This program provides another way for teachers to adjust and customize instruction to meet individual student needs.

For the daytime ESS, interventionists will work individually or in a small group with students. This will take place within the classroom or in another room. This program will focus on reading and math subjects and be available to any student needing extra help. Students for this service will be identified by school personnel and referred to the instructional assistant and/or teacher in the daytime program.

After-school sessions can be attended by anyone in need of assistance. Feel free to contact the teacher to let them know your child will attend, or you can simply tell your child to stay for the session. The after-school session for all subjects will be from 3:15--4:15 on the following schedule and in the following locations:

- Monday: Ms. Gibbs ext.5215 English focus with assistance in other subjects (phone ext. is the same as the room number)
- Wednesday: Ms. Anderson ext.5208 Math focus with assistance in other subjects (phone ext. is the same as the room number)

Additionally, we will offer Saturday School to students struggling with grades. Students will be contacted at teacher and administrator request as necessary for Saturday School.

If you have additional questions or concerns feel free to contact your child's teacher, the ESS coordinator, Ms. Scott, or the principal, Amy Turner.

Sincerely,

Amy Turner, Principal
270-762-7355 ext.5142
